TEXT

Ave, regina caelorum,
mater regis angelorum.
O Maria, flos virginum,
velut rosa vel lilium,
funde preces ad Filium
pro salute fidelium.

Hail, Queen of Heaven,
mother of the king of angels,
O Mary, flower of virgins,
like a rose or a lily:
pour forth thy prayers to thy Son
for the salvation of the faithful.

Votive antiphon; Trope: 'Funde, virgo'

PROGRAMME NOTE

Ave Regina Caelorum is a simple setting of the well-known Marian Antiphon (though including a short section of the trope *Funde, virgo*). It carries on a current desire to write shorter, easier motets that are more accessible to a wider range of choirs, though still retaining the thumbprints of my mature style. The motet is in a simple ABA form, with a more expressive middle section bookended by contemplative, homophonic material and a sustained 'Amen'.
